

Pre-trip Precautions Checklist

Things to do before you go, for a safer trip.

- Check travel advisories on travel.state.gov
- Sign up for the Smart Traveler Enrollment Program
- Make sure your phone will work at your destination
- Get travel protection
- Make copies of important documents
- Understand cultural norms at your destination
- Know the claims process for your travel insurance plan
- Research the medical coverage you have on your trip
- Collect your receipts
- Make a packing list
